Chaplain Program

Sheriff James Stuart and his staff invite you to an "Open House" to come and see YOUR Sheriff's Office and the diverse services provided to the citizens of Anoka County.

Demonstrations, displays, and opportunities to interact with our public safety partners will be available.

We hope you can join us as we work together to develop positive changes in our communities.

Twelve homeless youth will soon have a place to call "home" - HOPE Place, HOPE 4 Youth's new transitional housing. HOPE 4 Youth cannot bring them home without your help and will be **collecting The Home Depot Gift Cards** to cover the cost of the materials to finish construction of HOPE Place.
