

Job Posting

North Metro TV

Sports Producer

North Metro TV is seeking an experienced production professional to be their Sports Producer.

The Sports Producer is responsible for working with the Sports Director to produce local sporting events and other programming.

Primary Duties:

- Televising and/or streaming sporting events
- Pre-production organization, including creating graphics for mobile and studio productions
- On-location equipment set-up
- Operation of video production equipment including multi-camera production truck, single camera units, live-streaming devices, and various software applications including vMix
- On-site direction and supervision of production crew, including freelancers, volunteers, and interns
- Additional video projects
- Light preventive maintenance
- Shooting, editing, directing
- Operating audio board
- Developing and maintaining positive working relationships with school staff, coaches, volunteers, interns and community organizations.

Other duties may include:

- Graphics design for blu-ray cases and disc labels
- Creating event masters for archive
- Updating sports website pages

Qualified candidates must have a degree/certificate in Mass Communications, Journalism, or related field or 3 years comparable experience. Knowledge of various production software and office software programs, a valid driver's license, and the ability to lift 50 pounds are also required.

Position Information:

- Full-time, varying schedule based on events. Includes nights and weekends.
- \$42,800 starting salary, with 6 month and annual step increases
- Excellent benefits package

**Email resumes to Kenton@northmetrotv.com
Resumes will be accepted through Friday, December 17, 2021.**

North Metro TV is an equal opportunity employer.
