Lino Lakes Fire Recruitment video

Municipal Producer Trevor Scholl is almost finished with an exciting new recruitment video for the Lino Lakes Fire Department. The new piece forgoes the usual talking heads for a focus on action as the fire department races to respond to a call. This visceral video will doubtlessly inspire viewers to do their duty and join the department. Trevor is responding to a final round of notes and hopes to have the new video on air and online in February.

SWCTC Hockey Classic

North Metro TV Sports earned more than \$7,000 in January by filming a pair of back-to-back hockey games for SWCTC TV in Cottage Grove. The community TV station for South Washington County, SWCTC does not have its own sports department or production truck. Instead, they hire an outside company to film one to two games a year on their behalf. They dub these games the "Hockey Classic." Kenton Kipp and Ted Leroux did a great job respectively planning and filming the games and the client was very happy with the results.

More from Movie Man Eric

Eric Houston is not only one of North Metro TV's new Interim Co-Executive Directors, he's also the station's resident movie critic. In his capacity as Studio Manager, Eric often produces programs for the public access channel to help keep things fresh and encourage other producers. This month, he completed a new episode of Bad Movie Brothers, featuring a review of the movie Beastmaster 2: Through the Portal of Time. As if to prove he doesn't only watch bad movies, Eric also created a run down of his favorite films of 2023. Both programs air on channel 14 and are available on YouTube and northmetrotv.com.

Two Great New Projects from TJ

When not researching new FAA drone requirements or preparing for February's annual Guns-N-Hoses event, our intrepid Special Events and Education Coordinator TJ Tronson found time to finish two new programs. The first is a recording of a special Blaine High School Sports Alumni Panel. Filmed in December at the BHS Cafeteria, the panel featured eight former baseball players sharing their experiences. It is one of our most popular YouTube videos of the month (170 views) and is also airing on Channel 15.

If that wasn't enough, TJ also finished work on a new video for the Minnesota Softball Military Appreciation Foundation. The MSMA allows softball enthusiasts a chance to support Minneosta's military family.

Both projects are also paid productions and brought in a combined \$1,232 to the station.

News and Sports 24 Hours a Day

North Metro TV Channel 15 now airs news and sports 24 hours a day. We are giving our flagship channel a modern makeover by replacing the traditional filler videos that most community channels rely on between scheduled programming with rotating, regularly updated shortform content. This includes individual news stories produced by Danika Peterson and Eric Nelson, municipal videos created by Trevor Scholl, and newly created sports game recaps edited by Kenton Kipp, Ted Leroux, and the North

Metro TV Sports team. This new programming initiative is like a fresh coat of the paint for the channel, allowing us to create a large shift in public perception by making only small tweaks to what we are already doing. Our goal is to create a modern feeling channel that embraces current viewing preferences for shorter videos.

A New Relationship with the City of Cambridge

Thanks in part to a referral from Blaine, the City of Cambridge, MN is currently paying North Metro TV for station Video Engineer Matt Waldron to consult on their upcoming video equipment upgrade. Current charges stand at approximately \$1,000 and will grow as the city has asked Matt to prepair a Request for Quotation (RFQ) and will likely ask him to review responses and possibly supervise installation. They are even considering using us for ongoing equipment maintenance and consultation and have indicated that they may be interested in hiring us for video production services.

City Productions

While Municipal Producer Trevor Scholl was unable to complete any productions in January, he has several terrific new videos just about at the finish line and awaiting final notes from city staff. In addition to the Lino Lakes Fire Department recruitment video, Trevor is also hard at work on:

- · Lino Lakes Police recruitment video
- · Blaine Community Outreach video
- · Blaine On Boarding video series

Trevor touches base with contacts on a regular basis and also encourages Cities to contact him with ideas for new videos.
